

CORPORATE RULES & REGULATIONS POLICY

Company: Apex Global Technologies Inc.

Effective Date: January 1, 2026

1. Professional Standards

Apex Global Technologies Inc. demands the highest caliber of ethical integrity from all employees. We foster safety, inclusion, and transparency across teams.

2. Data Protection & Acceptable IT Use

- **Hardware:** All assigned corporate laptops and tablets must be strictly utilized for official work requirements only.
- **Security:** Sharing passwords, encryption keys, or proprietary codebase snippets externally is strictly forbidden.
- **Data Privacy:** Customer and employee data must always handle and store strictly inside compliant network silos.

3. Intellectual Property

All codebases, design screens, presentations, and product assets created by teams during active working hours belong exclusively to the company.

4. Conflict of Interest

Staff members cannot engage in external freelance activities or consultancies that compete directly with business operations without executive clearance.
